

PARADISE

LANDSCAPE TURF

Technical Specification Sheet

A lush, dual-tone landscape turf with a taller W-blade profile, designed to deliver a natural, resort-style finish for residential and commercial outdoor spaces.

- Perforated Backing
- PU-Coated Backing
- UV Stabilized
- Tufted Construction

SPECIFICATIONS

APPLICATION / BEST FOR	Residential, Commercial
FIBER COMPOSITION	PE & PP Blend
BLADE SHAPE	W Blade
COATING TYPE	Polyurethane
PILE / BLADE HEIGHT	1.58 in
GAUGE	3/8 in
COLOR	Reed Green & Jungle Green
THATCH COLOR	Green & Beige
WEIGHT (FACE / TOTAL)	43 oz / 69 oz per sq yd

RECOMMENDED APPLICATIONS

- Residential front and back yards
- Pool decks and outdoor living areas
- Commercial and HOA landscaping
- Rooftop terraces and courtyards
- Decorative lawns and garden accents

MAINTENANCE RECOMMENDATIONS

Rinse periodically to clear dust, pollen, and debris from the blades.
Brush against the grain every few weeks with a stiff-bristle broom to keep the taller pile upright and full.
